# optiCORE®

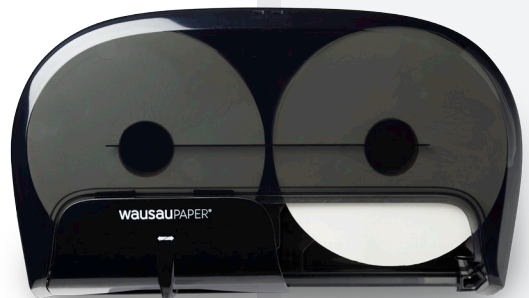

Wausau Paper offers patented OptiCore® technology, reducing maintenance time and costs.

OptiCore® technology, combined with our Dubl-Serv® and Revolution® dispensing systems, ensures maximum use of each roll in the dispenser before advancing to the next roll to reduce product waste and cost.

## Dubl-Serv® HC Dispenser

Highest Capacity OptiCore® System

The Dubl-Serv® HC provides an attractive alternative to coreless and mini jumbo tissue dispensers. Designed to lower maintenance costs in the busiest washrooms, the Dubl-Serv® HC accommodates two 2,000-sheet rolls of high-quality perforated tissue. Patented OptiCore® technology prevents stub roll waste associated with coreless designs and ensures complete utilization since each roll is completely depleted before the next roll is accessible. The Dubl-Serv® HC features a locking cover to prevent product pilferage.

80400

80480

Custom imprinting available. Additional colors (red, green and blue) available as special order.

## Revolution® 3-Roll Dispenser

OptiCore® Dispensing for High-Traffic Areas

The Revolution® dispensing system is designed to minimize maintenance and maximize cost savings for high-traffic areas. With its revolving design and our patented OptiCore® tissue, the Revolution® ensures that a roll is completely depleted before the dispenser will advance to the next roll, eliminating waste. Capacity for three OptiCore® tissue rolls allows for longer periods between maintenance. The Revolution® features a locking cover to prevent product pilferage.

## Dubl-Serv® Vertical 2-Roll Dispenser

OptiCore® Dispensing for Smaller Spaces

The Dubl-Serv® Vertical tissue dispenser is ideal for environments where horizontal space is limited. The Dubl-Serv® dispensing system holds two rolls of patented OptiCore® tissue and is designed to ensure the lower roll is completely utilized before the upper roll can be accessed, eliminating waste and controlling cost. The Dubl-Serv® features a locking cover to prevent product pilferage.

## Dubl-Serv® Side-by-Side 2-Roll Dispenser

OptiCore® Dispensing in a Traditional Footprint

The Dubl-Serv® Side-by-Side tissue dispensing system holds two rolls of patented OptiCore® tissue. With a controlled use design, the Dubl-Serv® dispensing system reduces waste and cost by ensuring each roll is completely utilized before the next roll is accessible. The Dubl-Serv® Side-by-Side features a locking cover to prevent product pilferage.

# OptiCore® Bath Tissue

OptiCore® technology reduces core material by more than 25%.

## DublSoft®

DublSoft® premium double ply bath tissue is for those customers who demand the maximum in strength, brightness and softness. DublSoft® products will meet that demand. This tissue also offers an attractive premium embossing pattern that any customer can appreciate. DublSoft® packaging is designed for the most upscale applications and is an attractive addition to any décor.

## DublNature®

DublNature® tissue is Green Seal™-certified and made from high-quality 100% recycled fiber for exceptional brightness. Providing the look and feel of consumer tissue, DublNature® OptiCore® tissue features a floral emboss and offers exceptional plushness and softness. Designed for office buildings, lodging properties, healthcare facilities, colleges/universities or any establishment seeking a premium green image.

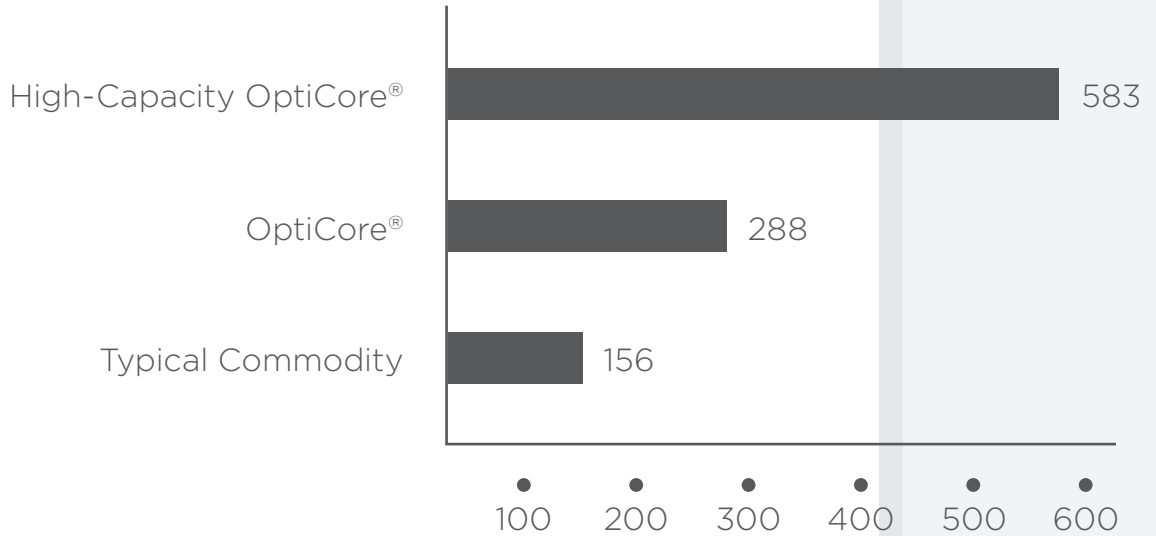

## EcoSoft®

EcoSoft® OptiCore® bath tissue is certified as environmentally preferable by Green Seal, Inc., in Washington, DC. Made from 100% recycled fiber with a minimum of 25% post-consumer waste content, EcoSoft® exceeds the EPA guidelines. These tissue products also feature environmentally preferable packaging. To meet any facility's needs, EcoSoft® is available in high-capacity or standard OptiCore® rolls.
