# Clean-on-the-Go Dispensers & Accessories

## Clean on the Go® Stainless Steel Lock & Dial

Stainless Steel for maximum strength and durability. Fills up to three different high flow products and a clear rinse; plus, dispenses up to four low flow products. #9055

## Clean on the Go® PDS™, Portable Dispensing System

The Clean on the Go PDS, Portable Dispensing System is the latest dispensing technology! It quickly fills bottles and buckets at 2 gallons per minute, and works with all of Spartan's 2-liter concentrates. #9258

## Green Solutions® Wall Chart

Laminated, color-coded chart provides visual references of what product cleans which surface and what equipment to use. English/Spanish/French. #9071

## Green Solutions® Stainless Steel Lock & Dial

Easy to use and install, the dispenser mounts with just 2 screws and weighs only 9-1/2 pounds. Dial and select the product of choice or the rinse application. Press the

button to fill a trigger spray bottle, fill a bucket or auto-scrubber. The locking cabinet stores up to four 2-liter product cartridges inside the unit, providing security and worker safety. #9456

## Green Solutions® Collection Cards

Portable version of the Green Solutions wall chart. One card per product on a metal ring with write-on, wipe-off pen. English/Spanish/French. #9368

## Clean on the Go® VersaFill

Designed for ultimate flexibility in product options, VersaFill can dispense Clean on the Go 2-liters as well as most concentrated products that are packaged in gallons. #9062 (e-gap) #9063 (air gap)

**1 GPM Low Flow Dispenser** includes racking system, installation instructions and mounting screws. Dispenses product at 2 oz. per gal. of water. #9158

**3.5 GPM High Flow Dispenser** includes racking system, installation instructions and mounting screws. Dispenses product at 2 oz. per gal. of water. #9159

**Lean Clean on the Go 3.5 GPM High Flow Dispenser** includes racking system, installation instructions and mounting screws. Dispenses product at 1/2 oz. per gal. of water. #9152

## Clean on the Go® Wall Chart

Laminated, color-coded chart provides visual references of what product cleans which surface and what equipment to use. English/Spanish/French. #9171

## Clean on the Go® Foam Gun

Easy to use, portable foam gun with a "Fresh Rinse" feature for use with the Clean on the Go chemical management system. Automatically dilutes at 2 oz. per gallon due to the pre-installed metering tip. #9881

## Clean on the Go® 3-Sink System Efficient, Effective & Economical

Spartan Clean on the Go 3-Sink System is chemical management that provides low cost, consistent dilutions and outstanding performance; plus it is easy to use. Made of durable material and incorporating state-of-the-art water valve technology, Spartan's Clean on the Go 3-Sink System is an economical investment.

**Push 3-Sink Dispenser**  
Dispenses 1 oz. per push. #9059

## Clean on the Go® 3-Sink System Sanitation Schedules

#9253-05  
Set of four frequency-of-cleaning sanitation schedules (charts) for the grocery industry. Includes one schedule for each department: Deli/Bakery, Produce, Seafood, Meat. Charts are also available individually:  
Deli/Bakery #9253-01;  
Produce #9253-02;  
Seafood #9253-03;  
Meat #9253-04.
