DublSoft®

Premium Tissue Products

DublSoft® offers the premium quality and refined image that is expected in the most upscale facilities. Featuring premium embossing and stylish packaging, DublSoft® tissue will appeal to your most discriminating customers and patrons. The line includes OptiCore® and universal bath tissue as well as facial tissue. For premium quality and appearance, choose DublSoft® premium tissue products.

DublSoft® Premium Bath Tissue

DublSoft® bath tissue features consumer-like floral embossing for exceptional softness. Universal tissue is available in both 400 and 500 sheet rolls to satisfy any facility's need. The OptiCore® tissue provides optimum savings in maintenance time and costs when combined with our controlled-use dispensing systems.

DublSoft® Premium Facial Tissue

DublSoft® facial tissue offers superior softness for the most discriminating customers. Facial tissue features a colored indicator line to notify staff that product is low, saving maintenance time. The stylish contemporary packaging makes the flat or cubed box facial an attractive addition to any décor.
