GREEN SEAL™ CERTIFIED

The Green Seal™ is awarded to products that have less impact on the environment and work well. To earn the Green Seal a product must meet the Green Seal standard for the category as demonstrated by rigorous evaluation and testing and a plant visit.

EFFORTLESS CLEANING

Green Solutions Glass Cleaner provides superior wetting, which suspends and penetrates, soil for fast and easy removal. The formula dries quickly and without streaking, plus no rinsing is required. Green Solutions Glass Cleaner has a mild yet powerful detergent complex that targets dirt, and grime with superior emulsification ability for fast and effective cleaning.

ENVIRONMENTALLY RESPONSIBLE

Green Solutions Glass Cleaner incorporates a state-of-the-art surfactant system offering excellent surfactant/wetting agents with emulsification abilities through the use of more readily biodegradable alternative surfactant chemistries.

AREAS FOR USE

Can be used on any surface not harmed by water. Apply via a trigger spray bottle, spray and wipe glass windows and mirrors and other surfaces, including countertops, chrome trim, display cases, fluorescent lights, and salad bar/deli/fast food sneeze guards, walls and door casings

DIRECTIONS FOR USE

Some individuals may be sensitive to ingredients in this product. Before using, read product label and Safety Data Sheet. If questions remain, consult your employer or a physician.

2-Liter Cartridge

General Glass and Hard Surface Cleaning

Fill spray bottle from Green Solutions Dispenser or a Clean on the Go® Dispenser. Spray surface and wipe dry with a clean, lint-free cloth or paper towel. Turn cloth or towel frequently, always using the clean side of the towel.

Large Areas

Fill bucket from Green Solutions Dispenser or a Clean on the Go® Dispenser. Apply with a window brush or other glass cleaner applicator. Squeegee dry.

Standard Packaging

General Glass and Hard Surface Cleaning

Dilute Green Solutions Glass Cleaner at 1:64 (2 oz. per gallon) or (15 mL per liter) of water. Use a Green Solutions Glass Cleaner spray bottle for dispensing. Hold the bottle 8 to 10 inches away from surface. Spray in an even pattern. Wipe dry with a clean, lint-free cloth or paper towel. Turn cloth or towel frequently so clean side is always in use.

Large Areas

Fill bucket and dilute at 1:64 (2 oz. per gallon) or (15 mL per liter) of water. Apply with a window brush or other glass cleaner applicator. Squeegee dry.

NOTE: Cold water is recommended for dilution. **DO NOT USE ON WOOD FURNITURE OR OTHER POLISHED SURFACES.**

CAUTION: Undiluted product causes eye irritation. May cause skin irritation. May be harmful if swallowed. Inhalation of product may cause respiratory irritation.

DO NOT MIX WITH OTHER CHEMICALS.

See product label for complete directions for use and more applications.

Be sure to read all Directions, Precautionary and First Aid Statements on product labels before use of this or any Spartan product. If questions remain, consult your employer or a physician. Safety Data Sheets for all Spartan products are available from your authorized Spartan distributor or by visiting www.spartanchemical.com.
