

Chemical Management System

Providing Quality Maintenance and Chemical Specialty Solutions with Unparalleled Customer Service

Why Choose Clean on the Go®?

System dispensing technology with an immediate positive impact on your environmental sanitation program.

- Affordable
- Portable or Stationary
- Durable
- Versatile
- Environmentally Conscious
- Worker Safe
- Easy to Install
- Easy to Use
- High Quality/High Performance Products

- **Low Cost Dispensers and Priced-Right High Performance Product Concentrates** create instant bottom line savings in actual dollars, time and labor.
- **One Dispenser Does the Work of Many.** Simply remove one product and insert a different product as required.
- **Super Concentrates** mean less SKU's, reduced handling, less storage space and less solid waste disposal.
- **Answers Your Specific Needs.** Low flow dispenser for filling trigger spray bottles. High flow with locking button for filling mop buckets and auto scrubbers.
- **Convenient and Mobile.** Dispenser mounts to wall in central location or attaches to housekeeping cart. Saves "running" time. No need to tie up water source.
- **User Friendly. Installs in Minutes.** No metering tips to change. No tangling of tubes. No bulky boxes or heavy containers.
- **Easy to Train Housekeeping Staff.** Reduces errors and assists risk management by diminishing potential for product liability claims. Product color, container labeling and trigger spray bottles are numbered and color matched. Trilingual labels and icons for those who do not read or speak English.
- **Predetermined High Dilution** insures accurately measured, fresh product with the press of a button. No guesswork. No employee confusion. No waste. Each 2-liter provides 33 gallons of ready-to-use product.

- **Worker Safe.** Custom fit mating cap and cartridge insert help prevent spills and minimize possibility of contact with chemicals.
- **Complies with Regulations.**
 - E-Gap educator is widely recognized as a reliable means for preventing backflow contamination, per ASSE 1055B
 - Air gap educator complies with American National Standards Institute ANSI A 112.1.2 and ASSE 1055B.
 - Product MSDS inside each product case.
 - Product and trigger spray bottle labels include all information required by Right-To-Know laws, State and Local regulations.

2-Liter Concentrates

1

NABC® Concentrate

NABC Concentrate is a broad range germicidal cleaner-disinfectant-deodorizer concentrate specifically designed to clean, deodorize and disinfect toilet bowls, urinals and other hard, non-porous restroom surfaces. EPA Reg. No. 5741-20 pH 5.0 - 6.0 #4716

2

hdq®C2

A neutral quaternary disinfectant cleaner formulated to kill a broad spectrum of microorganisms on high gloss floors, walls and other hard, non-porous surfaces. EPA Reg. No. 1839-169-5741 pH 7.5 #4702

3

Super Concentrated Glass & Hard Surface Cleaner™

A highly dilutable formula designed to clean glass and other hard surfaces quickly and with minimal effort. pH 9.5 #4730

4

Multi Surface Cleaner™

A synthetic detergent concentrate with aggressive cleaning power formulated for use on a variety of surfaces not harmed by water. pH 10.5 #4740

5

Smoke & Odor Eliminator

A combination surfactants, solvent and carefully chosen odor-eliminating ingredients blended to provide fast, efficient elimination of problem odors. pH 7.5 #4786

6

THE Degreaser™

An ecologically sound, environmentally conscious, heavy-duty, all-purpose industrial cleaner formulated to remove grease, oil and other tough soils without upsetting the ecosystem of water and waste treatment facilities. pH 12.0 #4734

7

Acid Bathroom & Shower Cleaner™

Revolutionary new acid technology! A light to medium-duty cleaner/maintainer formulated for use on restroom and shower room surfaces, toilet bowls and urinals. pH <1 #4724

8

Damp Mop™

For the professional who appreciates ease of maintenance and ultimate floor appearance! A floor cleaner specifically formulated for maintaining high gloss floor finishes. Also an excellent light-duty, all-purpose cleaner. pH 7.5 #4736

9

Xtraction II®

Xtraction II features a power boosting dual surfactant system for fast, effective extraction cleaning. Low foaming with a unique wetting agent combination that leaves no residue to contribute to resoiling. Xtraction II has an average in-use pH of 10.5 and a springtime fresh fragrance that leaves carpet smelling fresh and clean! pH 10.5 #4738

2-Liter Concentrates

10

Super HDQ® L10

No-disinfectant detergent. Effective against HBV and HCV viruses. Use only with Lean Clean on the Go Dispenser. EPA Reg. No. 1839-167-5741 pH 6.5 – 7.5 #4704

11

Super-Glo™

Super concentrated dish and pan detergent for use with the Clean on the Go 3-Sink System. pH 6.5 – 7.5 #4790

12

Sani-T-10®

No-rinse sanitizer for use with Clean the Go chemical management systems, including the 3-Sink System. EPA Reg. No. 5741-13 pH 7.5 #4800

13

Airlift® Tropical

Formulated to bring tropical outdoor freshness indoors. Airlift Tropical is coral pink in color and has a full floral fragrance. The water-soluble deodorant is formulated to control unpleasant odors whenever and wherever they occur. pH 6.0 #4710

14

Foamy Bath & Restroom Cleaner™

High foaming, medium to heavy-duty cleaner/degreaser for baths, restrooms, shower rooms, toilet bowls and urinals. pH 12.5 #4815

15

Clean by Peroxy®

Modern day surfactants and hydrogen peroxide blended to form an environmentally preferable all-purpose cleaner. Quickly removes everyday soils and greasy residues. pH 2.0 – 3.0 #4820

16

Peroxy Protein Remover, Cleaner & Whitener™

A hydrogen peroxide based, perfume free, protein remover, cleaner and whitener, specially formulated for food preparation, food service, and specialty food cleaning applications. pH 2.5 2 oz./gal. #4822

17

TriBase® Multi Purpose Cleaner

A 72% biobased product formulated to clean a multitude of soils on a variety of surfaces. With three main biobased materials, TriBase Multi Purpose Cleaner is a non-VOC, less toxic, biodegradable product. This Multi Purpose Cleaner is golden yellow in color and has a natural citrus fragrance. pH 8.0 2 oz./gal. #4830

18

Bio-Renewables® Glass Cleaner

An 84% biobased product designed to clean mirrors, glass, and Plexiglas® surfaces with a state-of-the-art surfactant system offering excellent surfactant/wetting agents with emulsification abilities through the use of more readily biodegradable alternative surfactant chemistries. pH 7.5 – 8.5 2 oz./gal #4835

2-Liter Concentrates

19

metaquat®

A detergent designed for aggressive cleaning, disinfection and deodorization of walls, floors and other hard, non-porous environmental surfaces. EPA Reg. No. 5741-12
pH 12.8 – 13.1 2 oz./gal. #4840

20

SparClean™ Pot and Pan Detergent

Designed to be used for manual washing of excessively soiled kitchen items. pH 7.5 – 8.0
¼ - 2 oz./gal. #4845

21

SparClean™ Silverware Pre-soak

A triple-action enzymatic silverware and utensil pre-soak designed to break down stubborn food residues. pH 7.8 – 8.0 2 - 3 oz./gal. #4850

22

Sani-T-10® Plus

Quat-based sanitizer specifically formulated for food processing applications. EPA Reg. #10324-117-5741
pH 6.0 - 8.0 .75-1 oz./4 gal. #4801

GS 2-Liter Concentrates

Neutral Disinfectant Cleaner 103

A neutral quaternary disinfectant cleaner formulated to kill a broad spectrum microorganisms. Effective against HIV-1 Virus, HIV-2 Virus, Hepatitis B Virus (HBV), and Hepatitis C Virus (HCV). EPA Reg. No. 1839-169-5741
pH 7.0 2 oz./gal. #3513

GS High Dilution Disinfectant 256 106

Just a half-ounce of concentrate per gallon of water provides total cleaning, disinfection, and deodorization in one labor-saving, cost-effective step. Effective against HIV-1, HIV-2, HBV and HCV viruses. EPA Reg. No. 1839-167-5741
pH 6.5 – 7.5 .5 oz./gal. #3516

Green Solutions® 2-Liter Concentrates

Green Solutions® All Purpose Cleaner 101

An environmentally preferable, all-purpose cleaner, formulated to quickly penetrate, emulsify and remove light to medium soils. pH 7.0 – 8.0 3-12 oz./gal. #3511

Green Solutions® Glass Cleaner 102

A glass cleaner that has a state-of-the-art surfactant system offering excellent surfactant/wetting agents with emulsification abilities. Quickly penetrates, emulsifies and removes dirt with minimal effort. Dries fast without streaking and requires no rinsing. pH 7.5 – 8.5 2 oz./gal. #3512

Green Solutions® Carpet Cleaner 104

A carpet extraction cleaner that features a powerful, low-foaming surfactant system for fast, effective extraction cleaning. Use in all types of extraction equipment and may be used for bonnet cleaning. Dries to a crystal. Dye and fragrance free. Phosphate free. Biodegradable. pH 8.0 – 9.0 2 oz./gal. #3514

Green Solutions® Industrial Cleaner 105

A non-toxic, heavy-duty liquid cleaner. Formulated with a super surfactant cleaning system, the concentrate is engineered to quickly remove petroleum-based soils with efficiency. pH 9.0 – 10.0 1-16 oz./gal. #3515

Dispensers & Accessories

Clean on the Go® Stainless Steel Lock & Dial

Stainless Steel for maximum strength and durability. Fills up to three different high flow products and a clear rinse; plus, dispenses up to four low flow products. #9055

Clean on the Go® Foam Gun

Easy to use, portable foam gun with a "Fresh Rinse" feature for use with the Clean on the Go chemical management system. Automatically dilutes at 2 oz. per gallon due to the pre-installed metering tip. #9881

Green Solutions® Stainless Steel Lock & Dial

Easy to use and install, the dispenser mounts with just 2 screws and weighs only 9-1/2 pounds. Dial and select the product of choice or the rinse application. Press the button to fill a trigger spray bottle, fill a bucket or auto-scrubber. The locking cabinet stores up to four 2-liter

product cartridges inside the unit, providing security and worker safety. #9456

Clean on the Go® PDS™, Portable Dispensing System

The Clean on the Go PDS, Portable Dispensing System is the latest dispensing technology! It quickly fills bottles and buckets at 2 gallons per minute, and works with all of Spartan's 2-liter concentrates. #9258

Clean on the Go® VersaFill

Designed for ultimate flexibility in product options, VersaFill can dispense Clean on the Go 2-liters as well as most concentrated products that are packaged in gallons. Dispenses four products at 1gpm and one product at 3.5 gpm. #9062 (e-gap) #9063 (air gap)

VersaFill™ II

Same as the classic VersaFill dispenser but dispenses four products at 1gpm and the same four product at 3.5 gpm. #9066 (e-gap) #9067 (air gap)

1 GPM Low Flow Dispenser includes racking system, installation instructions and mounting screws. Dispenses product at 2 oz. per gal. of water. #9158

3.5 GPM High Flow Dispenser includes racking system, installation instructions and mounting screws. Dispenses product at 2 oz. per gal. of water. #9159

Lean Clean on the Go 3.5 GPM High Flow Dispenser includes racking system, installation instructions and mounting screws. Dispenses product at 1/2 oz. per gal. of water. #9152

Dispensers & Accessories

Clean on the Go® 3-Sink System Efficient, Effective & Economical

Spartan Clean on the Go 3-Sink System is chemical management that provides low cost, consistent dilutions and outstanding performance; plus it is

easy to use. Made of durable material and incorporating state-of-the-art water valve technology, Spartan's Clean on the Go 3-Sink System is an economical investment. #9056

Green Solutions® Wall Chart

Laminated, color-coded chart provides visual references of what product cleans which surface and what equipment to use. English/Spanish/French. #9071

Push 3-Sink Dispenser

Dispenses 1 oz. per push.
#9059

Clean on the Go® 3-Sink System Sanitation Schedules

#9253-05
Set of four frequency-of-cleaning sanitation schedules (charts) for the grocery industry. Includes one schedule for each department: Deli/Bakery, Produce, Seafood, Meat. Charts are also available individually:
Deli/Bakery #9253-01;
Produce #9253-02;
Seafood #9253-03;
Meat #9253-04.

Green Solutions® Collection Cards

Portable version of the Green Solutions wall chart. One card per product on a metal ring with write-on, wipe-off pen. English/Spanish/French. #9368

ChemPod

Holds two 2-liter cartridges. Includes lock & key. #9051

Clean on the Go® Wall Chart

Laminated, color-coded chart provides visual references of what product cleans which surface and what equipment to use. English/Spanish/French. #9171

Clean on the Go® Product Sticker Sheet

2 of each product and Green Solutions products. #9259
