Artisan[®] Premium Towel Products

Carefully crafted.

Cloth-like durability and strength for unmatched performance

Elegantly refined.

Brilliant white with a weave surface pattern for a premium look and feel

Artisan[®] offers superior sophistication for your hand drying experience. Carefully crafted from innovative ATMOS papermaking technology, toweling is brilliant white, remarkably strong, yet delicate enough to provide a soft and thorough hand drying experience. Artisan[®] cloth-like towels are the pinnacle of premium – giving you confidence in exceptional quality and performance. Catering to high-end markets and properties, Artisan[®] offers luxury that is authentically designed for the refined.

Artisan® Roll Towels

Superior quality Artisan® roll towels are designed for a premium hand drying experience. Toweling is brilliant white for a clean, hygienic appearance. These features appeal to Class A office buildings, high-end lodging establishments, and healthcare facilities that seek exceptional quality products to reinforce an upscale image. When coupled with Wausau Paper® controlled-use dispensing systems, Artisan® towels save money by reducing waste and maintenance costs. Roll towels are available in 600 feet.

Artisan® Folded Towels

Each Artisan® towel features a weave pattern for beauty and performance. These extra-thick towels absorb wetness quickly – minimizing the amount of towels needed for hand dries. Artisan® premium quality folded towels have neutral upscale packaging and are ideal for establishments such as Class A office buildings and healthcare facilities. Towels are available in traditional multifold and c-fold configurations as well as uniquely sized OptiFold® to satisfy any hand drying application.
