WHY SUNCAST COMMERCIAL?

We take pride in creating high-quality, innovative, and thoughtful products for the commercial space.

As a market leader in high-quality resin, wood, and metal products made in the U.S.A. for over 25 years, we believe in constant change and innovation to make your life and job easier. We are committed to leading the way in highly intentional products to do just that.

We listen to our customers and end users to develop new products. The best innovations come from listening to problems and properly interpreting the issues to create a solution. This is an art we have mastered—and will continue to master with every new item we deliver.

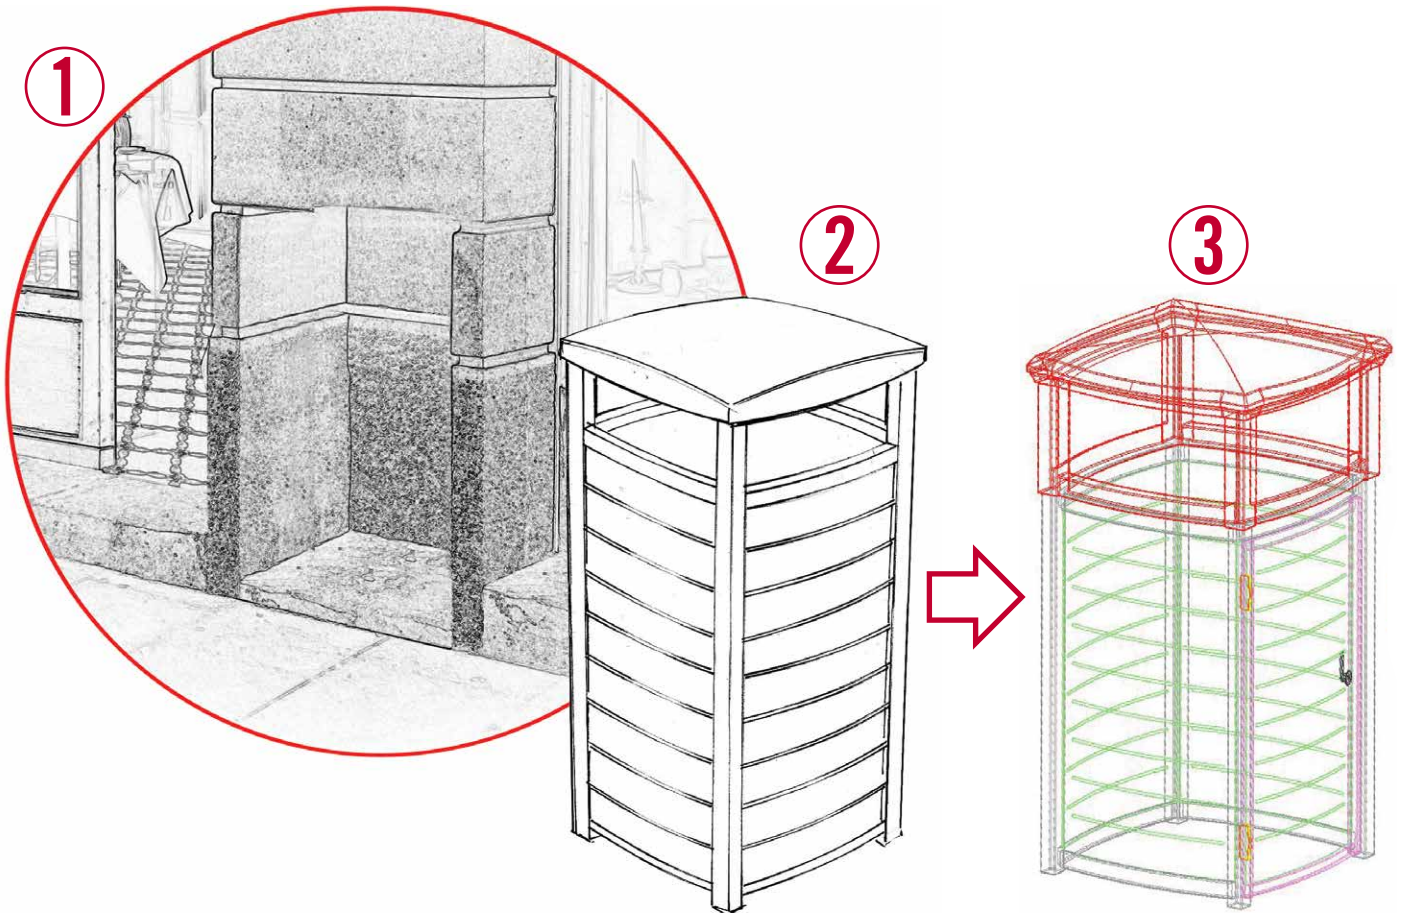

Suncast Commercial products are proudly manufactured in our facility in Batavia, IL. Some products may include components sourced globally.

SUNCAST COMMERCIAL PRODUCTS CAN BE CUSTOM BUILT TO FIT YOUR NEEDS

STEP ①

EVALUATE THE CHALLENGE

We identify the specific nature of your challenge and engage our team of innovators and engineers to help develop a solution.

STEP ②

DRAWING & DESIGN

Our team partners with you to build a solution from the ground up—providing drawings and renderings along the way based on your unique needs.

STEP ③

PROTOTYPE PHASE

Suncast Commercial manufactures a tangible prototype of the product to ensure your complete satisfaction.

Your space is unique—and the products you choose to fill it with should be too. Our team works side by side with you to design, develop, and deliver custom solutions that match the specifications and singular aesthetic of your space.

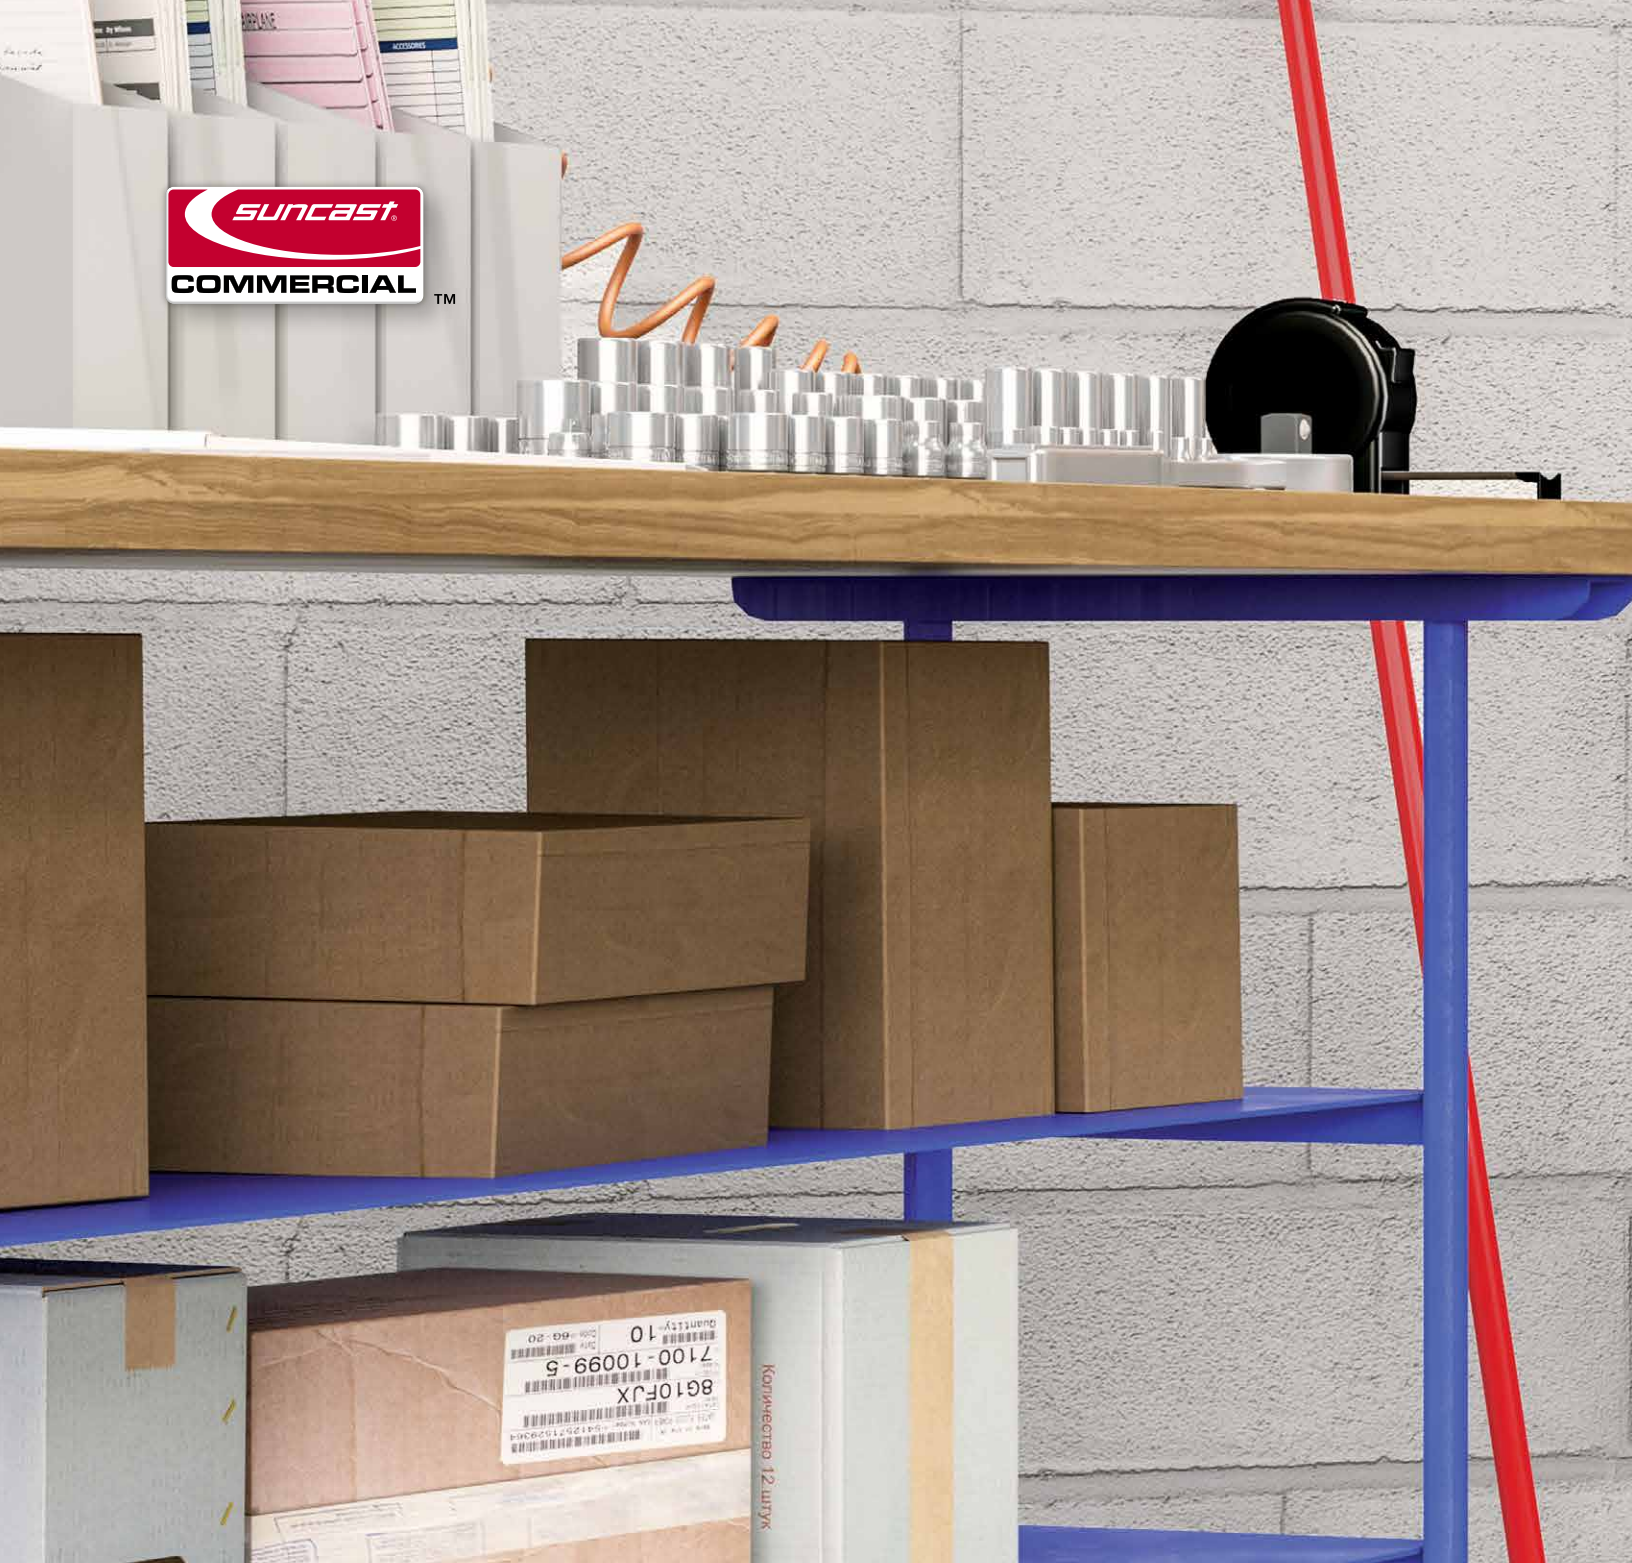

STEP ④

DELIVERY

Pending your approval of the prototype, the finished product is delivered to your doorstep and ready for use.

JOB BOXES

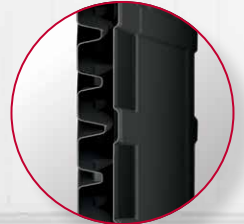

GAS STRUTS
Easily lift lid and keep it in place

LOCKABLE
Two nickel-plated steel draw latches (locks not included)

WEATHER RESISTANT
Automotive-grade weather seal

HEAVY-DUTY RESIN
Won't bend, rust, scratch, or dent (material cutaway shown)

BMJBPCD4824 model shown

ADDITIONAL FEATURES:

- Full size for 100 gallon equivalent storage
- Half the weight of metal—easier to move
- Fits between wheel wells in the bed of a full-size truck
- Fully secured with metal reinforcements
- Heavy-duty steel handles for easy two-man lift

The Suncast Commercial Job Box is the first of its kind. It's lighter than metal boxes, making it easier to move. The entire box is fully secured with metal reinforcements for added strength and security. The nickel-plated latches allow it to be secured using any padlock. Along with the metal security features, the Job Box also boasts automotive-grade weather stripping to seal the contents in, and the elements out. On top of all these features, the heavy-duty plastic construction will not bend, rust, scratch, or dent, keeping your Suncast Commercial Job Box in good shape for years.
