

SEALWRAP
DISPENSING SYSTEMS

*Exclusive Solutions
For The Performance Edge*

SEALWRAP

Developed over 20 years, the foodservice professional's choice is SealWrap, "the gold standard" by which all plastic food film is judged. SealWrap's exclusive process and packaging operation makes AEP the industry's best producer.

ZipSafe
Slide Cutter

AEP's new ZipSafe is the first cutter box with a disposable slidecutter. ZipSafe is the ideal solution for safety, performance and waste reduction. Available in 12", 18" and 24" widths.

SlideCUTTER

Increased usage, efficiency and safety are achieved with the AEP SlideCutter. This patented product is now offered for use with all AEP cutter boxes and food wrap dispensers. A perfect solution for quick, continuous cutting down to the last inch of film every time. FDA approved, high impact plastic.

SEALWRAP
DISPENSER

The new AEP SealWrap Dispenser System is an ideal solution to waste, limited space and ease of use. Purchase twin pack bulk film rolls to lower film costs by eliminating costly packaging extras not needed for use with the dispenser. The award winning design works on any prep surface, hangs from a variety of kitchen fixtures, is dishwasher safe, and has NSF approval.

The "Best" Just Got A Little Better

SEALWRAP®

Being the best is as simple as 1. 2. 3.

1. RESINITE® PVC FILM

Developed over 20 years, the foodservice professional's choice is SealWrap, "the gold standard" by which all plastic food film is judged. From meat counters, to deli counters, to dairy cases, to produce departments, to foodservice kitchens, AEP film leads the way!

2. TECHNOLOGY

AEP uses the latest technology for creating SealWrap film. The result is a product that delivers the right cling for the tightest seal. SealWrap's exclusive process and packaging operation makes AEP the industry's most efficient producer.

3. PERFORMANCE

The SealWrap cutter box has the classic graphic design with a new "wipeable" surface. AEP's exclusive GraterEdge® blade offers superior cutting performance with unmatched durability and safety.
