

Technical Information

Kresto® cherry

Skin Cleansing

Special hand cleanser with mild solvent and scrubbing agent for extra-heavy-duty skin cleansing, ideal for the toughest industrial dirt.

Description

Kresto® cherry is a slightly acidic, alkali-free hand cleanser containing a mild solvent and a biodegradable scrubbing agent, that features very powerful cleansing action. The special solvent used is free from toxicologically questionable ingredients, such as halogenated or aromatic hydrocarbons.

It cleans extremely well in cases of intensely stubborn industrial dirt (e.g. grease, oil, soot, metal dust, lacquers, adhesives, etc.) that cannot be removed at all by products that are free of scrubbers and solvents without putting excessive stress on the skin. Fresh cherry scent neutralizes petroleum odors on hands.

Areas of Application

For extra-heavy-duty contamination, such as from grease, waste, mineral and lubrication oils, graphite, metallic dust and carbon black, which can only be removed by a solvent-containing hand cleanser.

Features and Benefits

Features	Benefits
cherry fragrance	<ul style="list-style-type: none"> eliminates industrial odors on the hands
contains all natural, biodegradable walnut shell scrubbers (ASTOPON®)	<ul style="list-style-type: none"> has a particle size that is gentle on skin is biodegradable and poses no problems for waste-water treatment or waste-water sludge. is a renewable raw material and therefore kind to the environment does not strain the environment by depleting timber supplies easily rinses away, preventing blocked drains and pipes
contains Eucornol®	<ul style="list-style-type: none"> helps to prevent skin irritation
non-soapy pH neutral	<ul style="list-style-type: none"> helps to stop skin swelling helps to maintain the natural acidic protective mantle, whose function includes protecting the skin from bacterial and fungal infection
dermatologically tested	<ul style="list-style-type: none"> minimizes the risk of skin incompatibility

Reddish paste containing a natural walnut shell powder scrubber (ASTOPON®), a cherry fragrance and a safe solvent; pH-value: 5.1 - 5.9.

Ingredients*

WATER, ISOHEXADECANE, WALNUT SHELL POWDER, SODIUM LAURETH SULFATE, SULFATED CASTOR OIL (EUCORNOL®), SODIUM CHLORIDE, COCAMIDOPROPYL BETAINE, QUATERNIUM-18 BENTONITE, DICAPRYLYL ETHER (AND) LAURYL ALCOHOL, CELLULOSE GUM, CITRIC ACID, FRAGRANCE, POTASSIUM SORBATE, 2-BROMO-2-NITROPROPANE-1,3-DIOL, POLYACRYLAMIDOMETHYLPROPANE SULFONIC ACID, RED #33

*The ingredient declarations used are in conjunction with the International Nomenclature for Cosmetic Ingredients (INCI).

Skin Compatibility Tests

Kresto® cherry is proven to have acceptable skin compatibility properties in human-experimental tests and in practical use. The product leads in skin compatibility within its class of solvent-containing, heavy-duty industrial cleaners.

Shelf Life

Kresto® cherry can be stored in a closed container at room temperature for up to 30 months.

All Deb® products are tested for stability at temperatures between 23°F and 104°F. When tested at temperatures below 41°F and above 86°F, the products begin to fluctuate in viscosity. Hand cleaners may become cloudy or freeze partially at temperatures of 32°F or below. However, they are usable after thawing.

First Aid

For external use only. If product accidentally enters the eyes, flush immediately with lukewarm water. Contact a physician if burning sensation persists.

Consult a doctor if ingested.

Additional Information

Expert reports are available upon request.

Packaging Sizes

400ml squeeze bottle - #99027565

2000ml dispenser cartridge - #99027563
(For use in Stoko Vario Ultra® Dispenser)

1/2 Gallon pump top bottle - #99027564
